- Applicable bolts

- Which marked with * is available for LRBS only.

Quotation

Outer diameter of locating ring can be selected to suit a molding machine.

Runner lock pin pressing type

Example

- It can be installed from both sides.

- Making the locating ring diameter wider by one size without locating ring replacement is possible by installing LAR on the outer side of locating ring.

- A wide range of runner lock pins can be pressed by the head of locating ring.
